

CRIMINAL JUSTICE & LAW

Streaming Video Collection

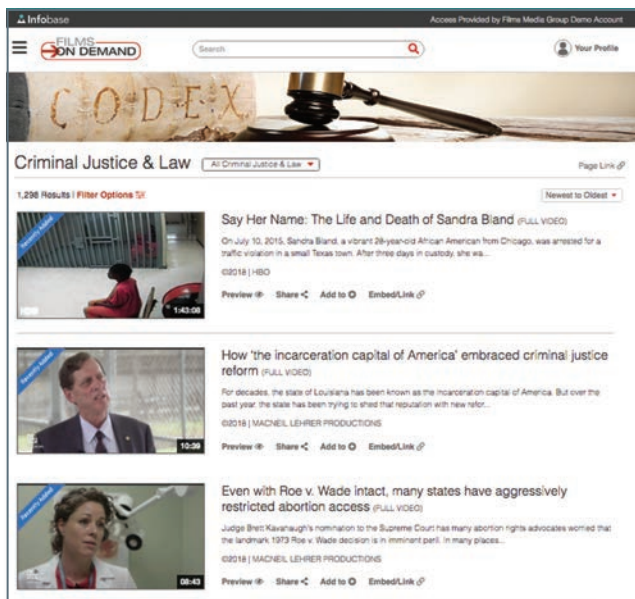

Includes:

- Criminal Investigation
- Criminal Justice System
- Criminology
- Legal Studies

16,600+ video clips, **1,345+** full-length videos—and growing!

With several hundred titles spanning criminal investigation, legal studies, criminology, and the justice system, this collection covers the basics and also digs deep into the intricacies of topics such as forensic science, homeland security, police training, the criminal mind, juvenile justice, cybercrime, human rights, and more.

- Unlimited access from your computer/laptop, tablet, or phone—on campus or off
- Create and share playlists—use premade clips, full videos, or custom segments to engage students
- Add a personalized video introduction to any playlist you create
- Upload the proprietary digital video content you already own and use (like lectures, seminars, etc.) to the platform
- Captions, interactive transcripts, citations, Google Translate, and more
- New videos added at no additional cost
- Videos can be easily added to LibGuides, distance education courses, social media platforms, and LMSs such as D2L, Canvas, Moodle, and others
- Public performance rights and no copyright infringement
- Keyword tags for all content, linking to related material

Use filters to find the perfect titles and clips for lectures and assignments.

CRIMINAL JUSTICE & LAW STREAMING VIDEO COLLECTION

All titles are segmented into short, pedagogical clips, ideal for intermittent use during classroom lectures. For classwork viewing, students can choose to watch an entire film without interruption. Titles within the collection are sorted across distinct, browsable subject categories, enabling refined searches for available titles in specific topic areas.
