

History Research Databases

The Most Authoritative Resource for Complete American and World History Coverage

Comprehensive History Content—

Featuring 80+ Years of Expert Scholarship

The following history databases are fully cross-searchable and seamlessly integrated for complete history coverage:

American History

More than 500 years of political, military, social, and cultural history, with expanded coverage of American women's history and U.S. government for comprehensive curricular coverage.

African-American History

A comprehensive examination of more than five centuries of the African-American experience.

American Indian History

15,000+ years of American Indian history and culture.

Ancient and Medieval History

An extensive exploration of world history from prehistory through the mid-1500s.

Modern World History

Covers the broad expanse of world history from the mid-15th century to the present.

Keep up with changing standards with these regularly updated resources.

History Research Databases

HIGHLIGHTS AND FEATURES

Focused Topic Centers: Specially selected content on different eras, themes, and milestone events of history—including articles, shareable slideshows, videos, primary sources, and more—provides a starting point for research

Plus—

- **In-depth overview essays** on relevant historical topics
- **Authoritative source list:** Expertly researched and written content from a wealth of proprietary print titles
- **Primary sources**, many with introductions that provide context and background—perfect for strengthening critical-thinking skills
- **Book chapters** from authoritative titles, ideal for in-depth study of a topic
- **Searchable** by Common Core, national, state, provincial, IB, C3 Framework for Social Studies and College Board AP standards
- **Slideshow Overviews:** Original, SMART Board–friendly slideshows offer a visual introduction to key topics and themes
- **Curriculum Tools:** writing and research tips for students and educators
- **Searchable Timelines**
- Persistent record links
- Dynamic citations
- Reuters® newsfeed
- Share content to Google Classroom
- Save content to Google Drive
- Single sign-on with Google or Microsoft
- Read Aloud tool and Google Translate
- A variety of integration options
- Users can set their default preferences
- Integrated, seamless cross-search across any or all history databases in your collection
- Robust Support Center

Comprehensive Coverage:

Event and topic entries, primary sources, images and videos, general and topic-specific timelines, biographies, and original maps and charts

Supports Any Teaching Strategy:

1:1 initiatives, blended instruction, flipped classrooms, project-based learning, and document-based question environments

KEY BENEFITS:

- **Teachers save time** by using regularly updated, vetted resources for lesson planning, course creation, assignments, discussion starters, and more
- **Students use these databases** for research, projects, homework, study, and more
- **Updated regularly** to keep pace with research and instructional needs
- **Thoughtful curation and organization** makes the databases more valuable than the independent parts
